Dear Mr. Carter:

A request for correction of error in recorded cover sheet under 37 C.F.R. § 3.34 is respectfully made. Upon inspection of the recorded document, it is readily apparent that an error occurred in the spelling of the first assignor's name which is incorrectly listed as "Frasler, Donald J." when it should be "Frasier, Donald J." A copy of the Notice of Recordation of Assignment Document with the clerical error highlighted is enclosed along with a copy of the originally recorded document.

It is believed that the error as set out was made on the part of the Patent and Trademark Office and therefore we are not enclosing a remittance fee. However, if any fee is due please charge Deposit Account No. 23-3030 but not to include any payment of issue fees.

Respectfully submitted,

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to the Assistant Commissioner for Patents, Washington, D.C. 20231 on June 15, 2000.
